All colors available in all grout types.

Sample colors shown approximate grout color. Final installed shade may vary with the tile type, color and porosity as well as jobsite conditions and finishing techniques.

Color Selection Tips

Complementary

Pick a grout color similar to your tile color to create a uniform look to your floor.

Contrast

When a contrasting grout color is used, your tile grout lines stand out highlighting tile shapes and patterns creating a checkerboard effect.

Use a qualifying system of eligible surface prep and tile setting products from CUSTOM and we'll warrant the entire tile installation for life, including materials, tile and labor to repair in the event of a defect. See CustomBuildingProducts.com for more details.
